

for Sixty Years

"I've known it to make wonderful cures of asthma, bronchitis, pneumonia, hard colds in the chest, and even consumption itself. I always keep a dollar bottle of it in the house. There's a 50-cent size if you wish; and I've been told that lately there's a new 25-cent size. I tell you, we're old friends, this bottle and I."

Cherry Pectoral

2305

There's nothing so
good for a Cough
as Ayer's
Cherry Pectoral!
